We will celebrate this in weekly and children will receive a certificate.

### Our Class Charter

Our school rules are: Ready, Respectful and Safe

We expect all children to uphold these to support a positive learning environment that represents our values. In P2 the children have created their own charter to share how they will do this as a team.

## Supporting Learning at Home

#### Reading

Reading and being read to impacts positively on children's learning across the curriculum and supports mental health and wellbeing.

We will be sharing reading for pleasure books for home and would encourage daily reading when possible. Please help yourself to any books from the "free to a good home" bookshelf beside Hall 1! ©

#### Spelling

Your child will bring home their sounds and tricky words to practice at home if you would like to. This is not compulsory. We will provide suggested activities and websites.

#### <u>Numeracy</u>

We will share your children's Sumdog password and some suggested numeracy activities that you could do at home.

### Absence and Lateness

An essential part of our safeguarding duty is our ability to account for all children each day. This is in place to ensure that every child leaves home and arrives at school safely.

Our office staff are currently spending in excess of 2 hours each day following up on unaccounted absences and recording lateness.

Please support us to reduce this by:

- Contacting the school office before 8.30 am through a phone call, voicemail, email or text to let us know if your child will be absent from school.
- Arriving at school before 8.45am
- Ensuring your contact details are up to date

### Our Parent Council

We would love to have parental representation from every class within our Parent Council.

The Parent Council meets regularly with the school senior leadership team to provide a link between school and parents, pupils and the community. They support and contribute views to school improvements and support fundraising and school events.

This is a great opportunity to meet other parents/carers and to support our school.

First Parent Council Meeting will be on Friday 22<sup>nd</sup> at 8.45am. All parents/carers are welcome to attend!
