Together, we will Grow, Learn and Succeed

A Celebration of 2024 2025

As we come to the end of another school year, we take time to reflect on the achievements of the children and the school and we celebrate all of the good work that has gone on. We are delighted to be sharing your child's end of year report with you tomorrow, which will reflect the hard work and achievements they have made across the curriculum this year.

We have also been celebrating many successes in school, which have included our recent award of our new Green Flag. We are so proud of the children who have supported this and of Mrs Hind, who has put in a lot of hard work taking initiatives forward and collecting lots of evidence.

Well done everyone!

FUN DAY

To celebrate another successful year at Stenhouse, we are holding a 'Fun Day' on Wednesday 25th June. Children will have a movie, games in class, a big play outdoors and the much anticipated super soaker water fight, which we are all very excited about!!!

Please bring a change of clothes and a towel to school that day!

UNCRC Article 31

We have really enjoyed working with everyone to decide our refreshed school values. These will be:
